Report on Audit of Ind AS Standalone Financial Statements

Opinion

We have audited the accompanying Ind AS Standalone Financial Statements of **AVANCE PLATFORMS PRIVATE LIMITED** ('the Company'), which comprise the balance sheet as at 31st March 2025, the statement of profit and loss (including other comprehensive income) and the cash flow statement for the year the period **1st April 2024 to 31st March 2025** and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Ind AS Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, aforesaid Ind AS Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company for the period **1st April 2024 to 31st March 2025**, the Loss (including other comprehensive income), changes in equity and its cash flows for the year ended 31st March, 2025.

Basis for Opinion

We conducted our audit of the Ind AS Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Ind AS Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Principal Audit Procedures

Our audit consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:

- We evaluated the design of internal controls relating to revenue recognition.
- We selected sample of Sales transactions and tested the operating effectiveness of the internal control relating to revenue recognition.
- We carried out a combination of procedures involving enquiry and observation, re performance and inspection.
- We have tested sample of Sale transactions to their respective customer contracts, underlying invoices and related documents.
- We have performed cut-off procedures for sample of revenue transactions at year-end in order to conclude on whether they were recognized in accordance with Ind-AS 115.

Other Information – Information other than financial statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to communicate the matter to those charged with Governance. We have nothing to report in this regard.

Responsibility of Management for Ind AS Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Ind AS Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures

responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced.
- We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work, and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A' statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss Including other comprehensive income, the Cash Flow Statement, and the statement of change in equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Ind AS Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e. On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended in our opinion and to the best of our information and according to the explanations given to us, no remuneration paid or provided by the company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:

1. The Company has disclosed the impact of pending litigations in its financial position in the Ind AS Standalone Financial Statements.

2. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

3. The company was not required to transfer any amount to Investor Education and Protection Fund during the financial year.

4.

(i) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entities, including foreign entities ("Intermediaries"), with the understanding whether recorded in writing or not that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of ultimate beneficiaries.

(ii) The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entities including foreign entities ("Funding Parties") with the understanding that such company shall whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide guarantee, security or the like on behalf of the Ultimate beneficiaries.

(iii) Based on the audit procedures performed, we report that nothing has come to the notice that has caused us to believe that the representations given under sub-clause (i) and (ii) by the management contain any material mis-statement.

(iv) Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March

31, 2025 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2024, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2025.

(v) No dividend has been declared or paid by the Company during the year.

3. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/"CARO") issued by the Central Government in terms of section 143(11) of the Act, to be included in the Auditor's Report, according to the information and explanations given to us and based on the CARO report issued by us for the company and its subsidiaries included in the consolidated financial statements of the company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO Reports.

(vii) In respect to Statutory dues:

(a) According to the information and explanations given to us and on the basis of the records of the Company, the Company is generally regular in depositing undisputed statutory dues including Goods and Service Tax, Provident Fund, Employee's State Insurance, Sales Tax, Service Tax, Custom Duty, Excise Duty, Value Added Tax, Cess and other material statutory dues with the appropriate authorities.

As provided to us by the management, the extent of the arrears of outstanding statutory dues as at the last day of the financial year concerned for a period of more than six months from the date they became payable, are Nil.

(b) According to the records of the Company, there are no dues outstanding of income tax / Sales Tax/ wealth tax / service tax / custom duty / excise duty / VAT / cess etc. on account of any dispute.

(viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

(ix) a) The Company has not defaulted in repayment of loans or other borrowings taken from the banks. The Company has not taken loans from financial institutions and Government.

b) The Company has not been declared wilful defaulter by any bank or financial institution or government or other lender.

c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable.

d) On an overall examination of the financial statements of the Company, no funds were raised on short-term basis and neither they have been, used during the year for long-term purposes by the Company.

e) According to the information and explanations given to us and procedures performed by us, we report that the company has not raised loans during the year on the pledge of securities.

(x) (a) In our opinion and according to the information and explanations given to us, the company has not raised moneys by way of any public offer including debt instruments and term Loans during the year and hence the provisions of clause 3 (x)(a) of the Order are not applicable to the Company.

- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
(c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- (xii) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 3 (xii) of the Order are not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Ind AS Standalone Financial Statements as required by the applicable Indian accounting standards.
- (xiv) a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given by the management, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, the provisions of clause 3 (xv) of the Order are not applicable to the Company.
- (xvi) a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi) (a) of the Order is not applicable.

b) The company has not conducted any Non-Banking Financial or Housing Finance activities during the year.

c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India,

d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi) (d) of the Order is not applicable.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year. Accordingly, Clause 3(xviii) of the Order is not applicable.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

(xx) a) Corporate Social Responsibility (CSR) is not applicable to the company, hence, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

b) The Company does not have ongoing projects relating to CSR. Hence reporting under clause 3(xx)(b) of the Order is not applicable.

Annexure 'B' to Independent Auditors' Report

(Referred to Para 2(f) under the heading of "Report on Other Legal and Regulatory Requirements" section of our report of even date to the members of AVANCE PLATFORMS PRIVATE LIMITED for the year ended 31st March, 2025)

Report on the Internal Financial Controls Over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **AVANCE PLATFORMS PRIVATE LIMITED** ("the Company") as of 31st March, 2025 in conjunction with our audit of the Ind AS Standalone Financial Statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31st March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the

"Guidance Note") and the Standards on Auditing and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over Financial Reporting, both applicable to an audit of the Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES & BASIS OF PREPARATION OF
FINANCIAL STATEMENTS AS ON 31ST MARCH 2025**

1. CORPORATE INFORMATION:

Avance Platforms Private Limited is a private Limited Company incorporated in India under the Companies Act, 2013 as on 07th October 2024. The Company is a wholly owned subsidiary company of Avance Technologies Limited.

The standalone financial statements as on 31st March 2025 were approved by the Board of Directors at their meeting held on 17th August 2025.

2. SIGNIFICANT ACCOUNTING POLICY INFORMATION AND CRITICAL ACCOUNTING ESTIMATES & ASSUMPTIONS:

2.1 Statement of Compliance:

The Financial Statements comply, in all material aspects, with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and other relevant provisions of the Companies Act to the extent applicable.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to the existing accounting standard requires a change in the accounting policy thereto in use.

2.2 Basis of Preparation of financial statements:

The standalone financial statements of the company have been prepared and presented in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). These financial statements have been prepared on a historical cost basis, except for the Financial Assets and Liabilities which have been measured at fair value.

The financial statements are presented in the Indian Rupees which is also the company's functional currency. All financial information presented in INR ACTUALS, unless otherwise indicated.

These standalone financial statements have been prepared on historical cost basis and on an accrual basis, except for certain financial instruments which are measured at fair value or amortized cost at the end of each reporting period.

The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Current/ non-current classification:

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle and other criteria set out in the schedule III of the Companies Act.

An Asset is treated as current when it is:

Expected to be realised or intended to be sold or consumed in normal operating cycle;

- a) Held primarily for the purpose of trading;
- b) Expected to be realised within twelve months after the reporting period; or
- c) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is Current when:

- a) It is expected to be settled in normal operating cycle
- b) It is held primarily for the purpose of trading
- c) It is due to be settled within twelve months after the reporting period; or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other Liabilities are classified as non- current.

Deferred tax liabilities are classified under non-current Liabilities.

2.3 Use of Estimates and Assumptions:

The preparation of standalone financial statements requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of standalone financial statements, disclosure of contingent liabilities as at the date of the financial statements, and the reported amounts of income and expenses during the reported period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

The Company uses the following critical accounting judgements, estimates and assumptions in preparation of its standalone financial statements:

i. Revenue Recognition

The Company applies the percentage of completion method in accounting for its fixed price development contracts. Use of the percentage of completion method requires the Company to estimate the efforts or costs expended to date (input method) as a proportion of the total efforts or costs to be expended. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

4/5

Deepak

Judgement is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognized will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

The Company exercises judgments while determining the transaction price allocated to performance obligations using the expected cost-plus margin approach.

ii. Income taxes and deferred taxes

Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment.

iii. Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life.

iv. Provisions and contingent liabilities

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. The Company uses significant judgements to assess contingent liabilities.

v. expected credit losses on financial assets

The impairment provisions of financial assets are based on assumptions about risk of default and expected timing of collection.

2.4 Revenue Recognition:

The Company having no revenue as no business is generated during the period. The company is engaged in the business of esports related to the electronic sports industry. Revenue is recognized upon transfer of control of products or services to customers in an amount that reflects the consideration the Company expect to receive in exchange for those products or services. Revenue is measured based on transaction price.

2.5 Income Tax:

i. Current Tax:

The tax rates and tax laws used to compute the current tax amount are those that are applicable for the reporting period. Current tax is measured at the amount expected to be paid to / recovered from the tax authorities, based on estimated tax liability computed after taking credit for allowances. Income tax assets/liabilities are presented in the financial results under the respective notes.

ii. Deferred Tax:

Deferred tax liabilities are recognized for all taxable temporary differences and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

2.6 Leases:

Identification of a lease requires significant judgement. The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company.

2.7 Foreign Currency Transactions:

402

Deepak

The Company was not involved in any transaction in foreign currency during the year under review.

2.8 Business Combinations:

Acquisitions of businesses are accounted for using the acquisition method. The consideration transferred in a business combination is value of shares issued at par by the incorporated subsidiaries.

Acquisition related costs are generally recognized in the financial statements. During the year under review the company subscribed shares of three subsidiary companies having different business verticals.

2.9 Impairment of non-financial assets:

Property, plant and equipment:

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

2.10 Cash and Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

2.11 Investments, other financial assets and other financial liabilities:

i. Initial Recognition and measurement:

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115.

The Company's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both. Financial assets classified and measured at amortized cost are held within a business model with the objective to hold financial assets in order to collect contractual cash flows while financial assets classified and measured at fair value

406

Deepak

ii. Subsequent Measurement:

Financial assets carried at amortized cost:

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVOCI):

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial assets at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are subsequently fair valued through profit or loss.

Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest rate method or at FVTPL. For financial liabilities carried at amortized cost, the carrying amounts approximate fair values due to the short-term maturities of these instruments. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in the statement of profit and loss. The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent.

The Company's senior management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

iii. Derecognition:

46/2

Deepak

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company retains substantially all the risk and rewards of transferred financial assets, the Company continues to recognize the financial asset and also recognizes the borrowing for the proceeds received.

The Company derecognises financial liabilities only when the Company's obligations are discharged, cancelled or have expired.

iv. Impairment of financial assets (other than at fair value):

The Company assesses at each reporting date whether a financial asset or a group of financial assets and contract assets (unbilled revenue) is impaired. The Company recognizes loss allowances, in accordance with Ind AS 109, using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. For trade receivables and unbilled revenue, the Company applies a simplified approach in calculating ECL. Therefore, the Company does not track changes in credit risk, but instead recognizes a loss allowance based on lifetime ECLs at each reporting date. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date is recognized as an impairment gain or loss in the statement of profit and loss.

v. Investments in subsidiaries:

The Company accounts for its investment in subsidiaries at cost, less impairment losses if any.

2.12 Interest and Dividend income:

Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

2.13 Derivatives and hedging activities:

The company do not have any transaction during the year in foreign exchange. The provisions related to derivatives or hedging activities are not applicable to the company.

2.14 Offsetting financial instruments:

Financial assets and liabilities are offset, and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business.

2.15 Property, plant and equipment:

i. Recognition and measurement:

Dividend on share is recorded as liability on the date of approval by the shareholders in case of final dividend or by the board of directors in case of interim dividend. A corresponding amount is recognized directly in equity.

2.20 Fair Value Measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

2.21 Operating Segments

The Company operates in single segment. The Board of Directors evaluates the Company's performance and allocates resources based on an analysis of various performance indicators defined in Ind AS 108.

2.22 Government grants:

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. There is no government grants provided to the Company.

2.23 Earning Per Share

The basic earnings per share is computed by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share and also the weighted average number of equity shares which would have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period unless they have been issued at a later date.
